Dear Kenny:

On behalf of the Southeast Region of the Muscular Dystrophy Association, I would like to thank you for the terrific job you did with our Team Building workshop at our spring meeting. All of the MDA staff members really enjoyed the day and gained a tremendous amount of value from your expertise.

All of the team building exercises were not only fun to participate in, but also were very helpful and informative. I have received so many positive comments from our staff members regarding the workshop.

As you know, Kenny, team building is vital to MDA's success in fundraising and other activities, and your seminar will certainly help us attain new heights! Thanks again for the great job you did and for sharing your vast knowledge with us!

Warm regards,
