RE: ExecuNet Guest Speaker

Dear Kenny:

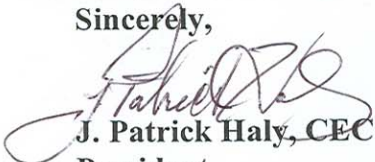

Thank you very much for your presence and excellent presentation to our **ExecuNet** networking group at the Ravinia Club last week. You are truly a gifted speaker. I enjoyed your presentation very much.

I hope you feel it was time well spent and you met some nice people. I know the Executives will find the information and your encouraging words to be extremely helpful in their transition.

I am keeping you on my "Active ExecuNet Speaker" list for future reference. As a matter of fact, I'd like to invite you to speak again at one of our evening events, July 22nd or August 26th, whichever works best for you.

Wishing You Continued Success.

Sincerely,

**J. Patrick Haly, CEC
President**
